## **TO WHOM IT MAY CONCERN**

## **STRUCTURAL STABILITY CERTIFICATE**

I had visited the **CARMEL CONVENT SCHOOL** situated at Sector 7-D-Faridabad. dated 10/03/2016.

The building is a R.C.C. Frame structure resting upon column & beams. Ground Floor, First Floor & Second Floor is made of 9" thick brick masonry wall, R.C.C. columns & beams.

The building is structurally safe & sound as per today's physical condition.
