

DIWALI CELEBRATION

We at Carmel Convent School in Faridabad enthusiastically celebrated Diwali, the festival of lights, as a family. Our goal is as ever to guide our kids towards a path of social harmony and peace. The young students proved that creativity and talent do not have boundaries. To mark the occasion, the festivity started on Nov 9 with Rangoli Competition in which grade XI students got the opportunity to showcase their creative instincts by participating in it, under which the school premises glistened and gleamed. Regardless of the outcome of the competition, the young buds were determined to enjoy the celebration and attract Carmelites and her guests with their artistic output. The final celebration was executed on 10 Nov by the students of grade VI which they had organised under the direction of the music and dance teachers and their class teachers. At 9 o'clock, the program started with the management's entrance followed by lamp lighting. Our hearts and minds were filled with love and serenity as the beautiful divine hym played simultaneously. A lovely prayer song and an enthralling dance performance with a Diwali theme came next, giving everyone a genuine sense of celebration.

The Ramayana recreation was the program's high point. The divine life journey of Lord Rama was masterfully presented, inspiring a sense of triumph of good over evil, wisdom over ignorance, light over darkness, and hope over despair. All of the pupils were enthralled with the Diwali atmosphere after seeing the performance made by young people dressed in ethnic clothing. They thoroughly liked the presentation. Finally, the school's principal, Sr. Anupama, praised and expressed gratitude for all of the teachers' and students' efforts in making the celebration a huge success. She also wished the kids a "happy children's day" in advance and urged everyone to enjoy Diwali safely. Thus, the event came to an end with the students getting modest snacks.

“A HAPPY DIWALI TYO ALL VIEWERS”
