

SCIENCE CLUB INTER-HOUSE COMPETITION

The Science Club of Carmel Convent School organised two house competitions on 4th August 2023 in the school auditorium commenced at 7:45 am and concluded at 9:45 am . The event was graced with the presence of Rev Sr. Punita , the manager and Rev Sr. Anupama , the principal of the institution . They welcomed the competitors and offered their best wishes for the tournament. Teachers of science oversaw the event's administration. Participants were selected from the four houses—Iris, Rose, Shemrock, and Sunflower—among students in grades VIII and IX.

This quiz's goals were to gauge the students' knowledge of science, make learning interesting, uncover hidden abilities, and instil confidence in their ability to respond to the questions. Ms. Sanyogita, the head of the IT department, Ms. Kavita Vasrshney, a biology PGT, and Rev. Sr. Punita, the institution's management, served as the competition judges. The First completion of the event was Power Point Presentation based on the theme ' Climate Change' holding 8-10 slides for 3min .

The second competition was Science Quiz Competition with the theme 'Climate Change', Space exploration and inventions and discoveries.' The Quiz was conducted in three rounds .There were 4 teams in total comprising of 5 participants each and every round was a mixed bag with eight questions from each topic i.e climate change, space exploration and Invention and discoveries .

The questions put forth to the teams were exciting and made the audience applaud excitedly when the teams answered correctly.

In the end, in PPT Competition Iris house bagged the first position and Rose house was placed at the second position whereas Shemrock and Sunflower houses were tied at the third place.

In Science Quiz Competition Shemrock house bagged the first position and Sunflower house was placed at the second position .
